Table 1. Special permission needed from IKEA (biocides)

Trade name and article no. of adhesive product	Biocide in the adhesive	CAS no.	Weight percentage
--	-------------------------	---------	-------------------

Table 1 should be filled in for any of the following cases:

- Biocides not appearing in *IOS-MAT-0069, Appendix A*
- One biocide is over its limit in *IOS-MAT-0069, Appendix A*
- The weighted sum of a biocide mixture is greater than 1.5 (150 %)

The information in this table will be used as a basis for the IKEA supplier's application to IKEA for permission for the use of biocides in the adhesive.

Material Safety Data Sheets (MSDS) and technical data sheets for the adhesive products specified in this declaration have been handed over to the IKEA supplier (or the equivalent producer applying the adhesive).

This declaration is only valid on condition that these products are used according to process instructions established by us, the adhesive supplier.
